STATE CONVENTION.

AUGUSTA, July 3, 1846. The proceedings, in detail, of the Democratic State | Farmo Millert,-Thus far, this cossion of the Convention have not been received, we are therefore Legislature has been a peaceable, quiet one. There unable to give anything more than the result of the has been but little talk in either branch, less than at ballot for a candidate for Governor. It is as follows: any previous session for many years past. Another thing worthy of notice, is the disposition to work manifested among a great majority of the members; for all who have visited Augusta recently express themselves satisfied that their public servants are disposed to be industrious, do up the business before them and go home. Only one or two questions have assumed a party character, and on them but little feeling was was as manifested; and on the whole it may be safely said, more kind, and conciliating feelings, among a body of

men so large, seldom exists.

The United States Senator question still remains unsettled. That the members of the Legislature, to Canada line, was presented and referred. Constitutional Convention.
